

Texas: Healthcare Facilities

Last Updated: April 2022

The following information contains a few free and sliding scale clinics in Texas. These clinics primarily serve low-income, uninsured, and/ or undocumented individuals.

Definitions:

- Free clinic: health care facility providing services to low-income individuals at no cost. These individuals often do not have health insurance.
- Sliding scale clinic: A type of payment system at clinics aimed to make health services more affordable; low-income individuals can expect to pay less compared to higher-earning individuals.

** This list was created by students with the intention of increasing awareness of resources. It may not be representative of all available resources. We encourage you to do additional research before utilizing these resources to ensure information is accurate. **
